

IN THE MATTER OF
THE CONDITION OF:

**PETITION FOR
INVOLUNTARY
ALCOHOL COMMITMENT**

d/o/b: _____

File No.: _____

Alleged to be an Alcoholic.

being adults of whom have personal knowledge as to the conduct and condition of _____, hereinafter referred to as the subject, hereby allege as follows:

1. That the condition of the subject is such that the subject habitually lacks self-control as to the use of alcoholic beverages, and uses alcoholic beverages to the extent that his/her health is substantially impaired or endangered and social or economic functioning is substantially disrupted.
2. That the subject herein is an alcoholic and is a proper subject for treatment under §51.45, Wisconsin Statutes, and the subject evidences a pattern of conduct which is dangerous to the subject or to others.
3. That there is a relationship between the alcoholic condition and the pattern of conduct during the 12-month period immediately preceding the time of this petition which is dangerous to the subject or to others.
4. That there is an extreme likelihood that the pattern of conduct will continue to repeat itself without the intervention of involuntary treatment or institutionalization.
5. That, upon information and belief, the subject **is/is not** indigent.

6. That attached hereto and made a part hereof are Affidavits by each petitioner which aver with particularity the factual basis for the allegations contained in this Petition.

WHEREFORE, we, the undersigned petitioners, request that the subject be placed under an involuntary alcohol commitment to the custody of the Langlade County 51.42 Community Services Board, or for such other relief as the Court may deem necessary.
