Consider County Board Rule requiring super-majority vote to overturn policies developed by committees pursuant to the authority delegated by the County Board. Robin Stowe, Corporation Counsel, explained that under the County Board Rules, all actions are considered by majority vote unless a statute or rule specifies a supermajority vote (2/3 or 3/4). The recent resolution for the consideration of a one-time payment to the three jail staff doing additional duties in the absence of the Jail Administrator was approved by a majority vote although it was denied by the Finance Committee which is required by County policy. Supervisors questioned whether resolutions to approve matters that have been denied by oversight committees under established policies should require a supermajority vote rather than a simple majority. Without a supermajority vote, for example, the Public Property Committee could deny a purchase for a department because it is not authorized under the purchasing policy and the Board could then approve the purchase by a simple majority vote. Discussion followed. Consensus of the committee was that this may be a solution in search of a problem. That until this becomes a problem (i.e., resolutions to overturn decisions made by committees applying established policies) then no further action is needed at this time.

Motion by Hurlbert, second by Bonacci to leave the vote as majority, all ayes, except Supervisor Nonnenmacher nay, motion carried.

Report on status of refilling the Human Resources Director position. Kari Lazars, Interim Human Resource Director, stated that five applicants were chosen to complete the interview process. One applicant has rejected the offer, leaving four applicants that the Personnel Committee will interview on January 11, 2017 starting at 12:45 p.m.

Discussion was held on when Lazars would leave the Interim Human Resource Director position.

Motion by Hurlbert, second by Jansen to have Lazars stay as the Interim Human Resource Director two weeks after the new hire has started to allow for training the new Director, all ayes, motion carried.

Discuss Resolution regarding Highway Department Casual Employee for emergency situations on an as needed basis, on-going. Robin Stowe, Corporation Counsel, discussed a proposed resolution as the Highway Department is requesting the ability to hire employees on the casual or temporary basis in order to address staffing needs (i.e., to fill as needed when permanent staff is unavailable or on a leave of absence), with funding allocated from within the Highway Department budget. By creating this casual employment position, the Highway Commissioner will be able to hire casual employees when necessary to perform work as designated by the Highway Commissioner.

Motion by Hurlbert, second by Bonacci to approve the proposed Resolution, sending to County Board, all ayes, motion carried.

Discuss location of the Human Resource Director’s office. As the oversight committee for the HR Department, Robin Stowe, Corporation Counsel, questioned the Committee regarding whether they wanted to relocate Human Resource Office before a new Director is hired. Discussion was held.
