1. The meeting was called to order by Chairman Robert Benishek at 3:00 p.m. at the Langlade County Fairgrounds
2. **Tour the Fairgrounds to review and discuss long term tree plan:** The Fairgrounds were toured and existing trees were reviewed. It was noted that the existing trees are quite mature and several trees die or blow over every year. Spruce trees along west side of fairgrounds are near the end of their life. Discussion followed. Removal of dead or nearly dead trees and stump grinding should be done. Visibility from Highway 45 should be maintained at select locations. Replacement of missing trees was discussed.
