Emergency Management Report and paid bills

Brad Henricks presented the Emergency Management report and paid bills. The report was placed on file in the County Clerk's office with the minutes.

Henricks informed the committee that he met with the Antigo High School to talk about the recent suicide and how information gets out there on facebook that is inaccurate, especially locally and how do you correct it. Henricks stated that we have an official source; the school district is an official source and Langlade County Emergency Management is an official source. If you want the truth and what's going on, you go there. Henricks stated that it's really become a dilemma.

Henricks also informed the committee that the county phone system has been reprogrammed so there's an "all call"; one for each building and then one for the whole system that goes to every employee's phone. If there is a tornado warning or some other message that needs to get out, the phone system can be utilized.

Dahms stated that he received a couple calls last year stating that the Southeastern section of the city can't hear the tornado sirens and they wanted to know if anything

could be done. Henricks stated that he would pass that on to the city and see what we can do.

Moved by Dahms, second by Olsen to approve the Emergency Management Report and paid bills. All ayes. **Motion Carried.**

Sheriff Greening presented the car report. The report was placed on file in the County Clerk's office with the minutes. Sheriff Greening stated that the paint issue for the remaining two new squads has been taken care of and should be built shortly and is expecting to receive them in the next month or so. Squad 5 and 8 will be replaced. All other vehicles are in relatively good operating condition. Moved by Dahms, second by Olsen to approve the Car Report. All ayes. **Motion Carried.**

Sheriff/Jail Office/Medical Reports and paid bills

Sheriff Greening presented the Jail Office report and Medical report. The report was placed on file in the County Clerk's office with the minutes.

Sheriff Greening informed the committee that the jail population is up again due to the bath salts epidemic. Greening stated that at least half of the jail population is there because of bath salts and informed the committee on how dangerous these people are. The Sheriff stated that he wants to make the committee and County Board aware that's why it is so critical to maintain adequate staffing levels for corrections in the jail, 16 is adequate. Anything less than 16 is understaffing. Greening stated that refilling the vacant full time position with a part time corrections officer is helpful, but is not enough, the full time position is very critical. Dahms recommended that this be brought back next month to re-discuss that part time position be pushed to a full time position and have Robin Stowe attend. It was agreed that it would be in the county's best interest to have the jail adequately staffed. Sheriff Greening complimented the jail staff for doing an outstanding job under difficult circumstances.

The Sheriff and Jail paid bills were submitted. Moved by Dahms, second by Bonacci to approve the Sheriff/Jail Office/Medical Report and paid bills. All ayes. **Motion Carried.**

Emergency Management Report-April 2013

March was training month as we prepare for the warmer weather...hopefully prepare for warmer weather I should say. I attended the Governor's Conference and dealt with using social media to your advantage and applying for disaster aid among the topics. Time was spent looking at potential flood conditions and closing out the 1st half of my FFY2013 Plan of Work. Here is a brief synopsis of some of the month's activities:

- Attended a two day FEMA Mass Fatality training to form a NE Regional plans.
- Attended the Langlede County Special Populations meeting to prepare that segment of our population for the upcoming severe weather season.
- Facilitated a video and discussion training for the County Management Team on violence in the workplace and how to deal with those concerns.
- Met with the Hwy. Commissioner and City Public Works Director on potential flood issues.
- Filed a Hazmat Equipment grant for \$11,768.02 to fund Langlede County's contract with Oneida Co.'s hazmat team and provide the Antigo Fire Dept. with additional equipment.
- Completed Off-Site plans with Fleet Farm, Sartori and both Servco FS locations.
- Conducted a meeting with the Local Emergency Planning Committee(LEPC).

Bills: As presented.

Respectfully submitted,

Brad Henricks
