Emergency Management Report – March Meeting 2016

February was a busy month. Several continuing projects that consume a lot of time. The 1st Half of my Plan of Work year ends March 31, so Langlade County Emergency Operations Plan Annex's and Off-Site hazardous plans are being compiled. March will also see the installation of the new communications dispatch positions. Below is just a brief synopsis of some of the month's activities:

- Had several meetings over the course of the month with the Everbridge Steering Committee as we finalized the implementation of the Mass Notification System.
- Met with a group of citizens from the community and a Red Cross representative to try and recruit volunteers for the Red Cross from Langlade County. Currently, Langlade County only has two volunteers.
- Met with the WEM Northeast Region as we plan on a hazardous materials exercise that will encompass all the counties across this section of the State.
- Have been traveling to Madison just about once a week as a county representative on the IMSSC software selection committee to put together and evaluate the RFP for replacement Incident Management software.
- Conducted the bi-annual Langlade County Local Emergency Planning Committee (LEPC) meeting.
- Attended the Langlade County EMS Association meeting facilitated by Aspirus Langlade Hospital.
- Meet with 3 representatives from Frontier Communications 911 Division to discuss the future of Regional 911 here in Langlade County.
- Worked with the Traffic Safety Commission on securing PR materials for 2016.
- Received and deposited \$20,740.56 in FFY2015 2nd Half reimbursement from the State for the operation of the Emergency Management office for half a year.

Respectfully submitted,

Brad Henricks
Emergency Management Director
