Sheriff Greening stated that Motorola will no longer be supporting any communications upgrade and no longer have parts to repair the system if it

fails. Greening stated that it is crucial to maintain the dispatch center and that money needs to be set aside. It would be a disaster if the communications center fails. Greening also stated that Mel Yarie (IS Dept.) is also concerned with the ability to fix problems. Brad has done a great job of mitigating.

Deputies are required to be certified upon being hired, corrections officers are not. Usually within the first year of employment is when correction officers receive their certification.

There are also two potential retirements in the fall, currently we have a small eligibility list.

Sheriff Greening handed out the Langlade County Sheriff's Office & Langlade County Jail 2014 Annual Report for committee review and if there are any questions they could be brought up at next month's meeting. ## Emergency Management Report - March 2015

February has been a short month between committee meetings. The 2015 Federal required Hazmat Strategic Plan was revised and submitted to the Local Emergency Planning Committee (LEPC). The LEPC met during the month and reviewed the Strategic Plan, the Off-Site Plans for Servco FS, Mills Fleet Farm and Sartori Company. Here's a brief synopsis of some of the months activities:

- Participated in a Northeast Region Functional Exercise dealing with a rail car hazardous material spill that required effected counties to activate their Emergency Operations Center (EOC) and work collectively coordinating resources and evacuation needs.
- Conducted a State-wide RCALL 41 radio system test.
- Attended the Traffic Safety Commission meeting where the State discussed road crossings on State highways with the City of Antigo representatives. Discussions were held regarding the prospective ideas for safety promotional items that come out of Emergency Management's budget.
- Participated in the National Weather Service's Spring Flood Outlook presentation. Things are looking favorably in this area with normal to slightly below normal snow totals, but some concern over the cold February and the it's affect on frost levels.
- Conducted the LEPC Meeting.
- Met with representative of Motorola and ModUcom to obtain quotes for the Dispatch Center positions.

Respectfully submitted,

Brad Henricks

Emergency Management Director
