Emergency Management Report-Oct. 2012

September was a very busy month in Emergency Management. The fiscal year ended on 09/30/2012 and with that came the entire end of year tasks. Mixed with some events, trainings and meetings made for an interesting month. Here is a brief synopsis of some of the month's activities:

- Attended 3 day long LEAN trainings held for County Dept. Heads at NTC.
- Attended EM Directors training in Madison.
- Gave a presentation to the Town's Association on NIMS/ICS for government officials.
- Conducted a Local Emergency Planning Committee (LEPC) meeting for emergency services, hazardous materials facilities and government officials.
- Participated in a NEWCOM Mobile Command exercise with Langlade's new Mobile Command Center.
- Completed Plan of Work Annex's and financials for end of year FFY2012.
- Received grant funding check for \$42,670.45 reimbursement for WISCOM communications equipment.
- Finished details on Gresch Tower transfer to W-Towers, LLC.

Bills: As presented.

Respectfully submitted,

TABLE 13 BENCHMARK FOR PROGRESS 2008 - 2013 PLAN

2006-2012 Measure	Plan	Progress Report	Original Status	New Status
Continue to promote the increased use of National Oceanic and Atmospheric Administration (NOAA) weather radios.		Working with the County Health Department 50 radios have been distributed this year, primarily to the disabled and elderly and as replacements to critical facilities	On-going	On-going
Continue to add/update Emergency Management Department link off existing County website.		The Emergency Management site is continually updated with links to relevant websites.	On-going	On-going
Develop emergency response zone atlas.		Completed in 2009	2009	Removed from list
Work toward development of county-wide early warning systems possibly including all telephone message cast & cable TV broadcast, among others.		The County has promoted the Nixle system, a subscriber based notification system, but response has been slow. The development of social media has led to the development of alternative systems.	On-going	On-going
Update county-wide disaster shelter plan including available shelters, trailer park shelter needs, notification procedures, etc.		No new shelters have been added. Listing of existing shelters is being formalized.	On-going	On-going
Work to improve county's rural addressing system as part of Enhanced 911 development.		Addressing throughout the county has been updated, although there are some areas that could be improved.	2008	Removed from list
Develop local emergency response plans.		The County has developed a template for local plans and is working to assist the Towns.	2010	
Acquire digital aerial photos with appropriate contour levels (2 ft) to facilitate update and modernization of FEMA Flood Insurance Maps.		NCWRPC is currently updating maps based on 2010 aerial photos, but contour data is not available for Langlade County at this time.	2010	
Require stormwater plans for new development on the urban fringe.		There is no requirement for stormwater planning under County authority outside of the shoreland area.	2009	

Review and test Emergency Action Plan (EAP) for each significant and high hazard dam.	An EAP has been done for the Skinner Dam at the headwaters of Spring Brook,	On-going	
City of Antigo Drainage/Flood Plain Study and Recommendations.	Within the last three years the City has established a Stormwater Utility, and a study was completed as part of that process.	2009	Removed from list
County/City continued compliance in the NFIP. - Village of White Lake NFIP Compliance.	All remain in compliance with the NFIP.	2009	Removed from list On-going
Town of Antigo Stormwater Options.	E. 8 th Av. study underway.	2010	
Town of Rolling Evacuation Plan.	No known action	2009
