2014 Clean Sweep:

Event was held August 2 at the Langlade County Highway Shop. There were more people who came through the line than anticipated as we ran out of surveys. There were 58 people in the first hour, 56 in the second hour, and 14 in the third hour, and three more who were in line at closing time that were accepted. We took in \$568.50 from the light bulbs and batteries. A suggestion was made to think about the county donating the cost for bulbs and batteries so that more people bring in these items. Information from the survey is used to help fill out the final report.

People still bring in latex paint which isn't accepted. Next time around, it might be helpful to put the information about disposing of latex paint in the paper along with the ads.

Next Meeting:

The next Solid Waste meeting will be set as needed.

Adjourn:

Bostwick made a motion to adjourn the meeting at 3:52 p.m. Solin seconded the motion. All ayes. Motion carried.
