Laura Vandehey  
Randy Romanski

TOPIC	KEY DISCUSSION POINTS	RECOMMENDATIONS/ACTIONS	RESPONSIBLE PARTY	DUE DATE
<b>Review of Minutes:</b>				
The minutes from the August meeting were e-mailed or mailed for review prior to the meeting.	The group was asked if they approved of the minutes as written.	Motion made by Dave to approve the minutes, motion seconded by Brian B. Motion carried.	N/A	N/A
<b>Old Business</b>				
Rumble Strips at County Rd G and County Rd HH.	Looked into solar powered signs for this intersection, they are \$1,800.00 apiece.  Discussed that people who frequently travel this road still run the stop sign despite of the rumble strips and question if the lighted signs will be any more effective?  Discussed placing cameras at the intersections but.	Suggested to contact Marathon County to see how they handled a similar intersection at 107 and N and also because this is partially their intersection.	Brian Braun will make the contact with Marathon County.	Next meeting
Speed Limit Increase on bypass from 25 to 35 mph.	The speed limits have been increased in this area, still need to install a couple signs.	Informational	N/A	N/A
County Hwy C and County Hwy B re-address	Recently received complaints about people running through the stop signs at this intersection despite the flashing lights.	No further action will be taken by this committee.	N/A	N/A

Data, records and knowledge, including minutes, collected for or by individuals to committees assigned peer review functions are confidential, not public records, and are not available for court subpoena in accordance with Wisconsin Statutes §§ 146.37 and 146.38.

	Discussed that the intersection is appropriately marked and it is a conscious decision by the driver to run the signs.			
Speed limit on County Hwy K by Post Lake	The decreased speed zone has been extended as requested at the August meeting.	Informational	N/A	N/A
<b>DOT Updates</b>				
Traffic Safety Reporter	Handed out copies to the group. Pointed out that Sheila was recognized as the car seat tech of the year.	N/A	N/A	N/A
TSC Review	The DOT is conducting a review of all the TSC in Wisconsin. This is a chance to see what the commissions are doing. Distributed the best practice guidelines.	The group should read through the document discuss membership in depth at the February meeting.	Mike Panosh	February meeting
Community Map	Mike provided a sample of the community map to the group. This is a web-based program that allows data from fatalities, injuries and property damage to be pinned on an electronic map for tracking purposes. Will stay on there for 10 years. The State Patrol is mapping citations on this program.  This works with Google Maps so specific areas can be viewed during the meetings.	Will discuss this in depth at the February meeting. Made suggestion to meet in a different room with more IT options.	Mike Panosh	February meeting
Drive Sober Mobilization	Mike sent email regarding this program running from Dec. 18 <sup>th</sup> through January 3 <sup>rd</sup> . It includes a free drive sober app that estimates blood alcohol levels and helps find a safe ride home. Brought posters on various topic to place in public locations.	Sheila will distribute the posters to the tavern league.	Sheila Rine	ASAP
Strategic Highway Safety Plan	The DOT is asking for input regarding the strategic highway safety plan. This document helps the DOT allocate	Will discuss more in February.	Mike Panosh	February Meeting

	resources and plan for the future.
