

May 19, 2016

Special town board meeting as posted at hall, mike's service and Bob's Northern Lights was called to order at 1 p.m. by Chairman Casper Buettner. Also present were Supervisor Jim Tilkens, Mary Lee Heise, clerk and Dave Woodward.

The purpose of this meeting is to discuss and possibly approve zoning change of a 1-2 acre parcel of property from Agricultural to Residential.

Mr. Dave Woodward came before the board concerning his property on Heise Road. He would like to take 1-2 acres of his property and have it rezoned to residential in order that he might be able to put a home on it for his daughter. The zoning is currently agricultural and needs to be rezoned to residential.
