The Annual Town Meeting was called to order on April 12, 2012 at 7:30 p.m. by Chairperson Rick Parilek. Seven town residents and one nonresident were in attendance.

Daryl Rasmussen gave the fire department report and stated that the new fire truck is ready to go.

Jon Petroskey, Fire Chief for the City of Antigo, gave the ambulance report. They had over 1800 calls in 2011. The number of ambulance transfers continues to increase and is where most of the fire department's revenue is generated from.

The City of Antigo had an engineer do a water shed study for \$35,000 in the 8th Avenue area. Since the town has a water problem in that area and there is a current water shed study to work with, the town is having Tim Rusch look into what would be recommended for flood protection in that area.

The town has very limited authority to donate when it is to attract industry or something the whole town participates in.
